## Transforming Confidence Through Advanced Aesthetic Solutions

At Zoori Cosmeceuticals, we believe that true beauty begins with healthy skin and strong, vibrant hair. Our state-of-the-art clinic offers a comprehensive range of medical-grade aesthetic treatments designed to address your most pressing skin and hair concerns — from pigmentation and acne scarring to hair thinning and premature aging. Every treatment is performed by highly trained aesthetic professionals using clinically proven protocols and cutting-edge technology, ensuring results that are both visible and lasting.

Our philosophy is rooted in personalized care. We understand that every individual's skin and hair profile is unique, which is why each treatment journey begins with a thorough consultation to assess your specific needs and goals. Whether you are seeking a radiant glow, smoother texture, reduced hair fall, or a more youthful appearance, Zoori Cosmeceuticals delivers precision solutions tailored to you. Experience the intersection of science and elegance — where advanced technology meets the art of aesthetic medicine.

## Chemical Peel

A Chemical Peel is an advanced skin-resurfacing treatment that uses carefully selected acids to gently exfoliate the damaged outer layers of the skin. This controlled exfoliation process encourages accelerated cell renewal, revealing fresher, smoother, and healthier-looking skin underneath. Suitable for a wide range of skin types and concerns, chemical peels are one of the most versatile and time-tested procedures in modern aesthetic medicine. At Zoori Cosmeceuticals, our peels are customized based on your skin's unique profile — whether you need a gentle superficial peel for radiance or a deeper formulation for more significant concerns.

- Reduces Tanning & Pigmentation
- Fades Acne Marks & Blemishes
- Smoothens Rough Texture
- Improves Uneven Skin Tone
- Enhances Radiance & Glow
- Promotes Younger-Looking Skin

# Advanced Hydrafacial

Advanced Hydrafacial is a non-invasive, multi-step treatment that deeply cleanses, exfoliates, extracts impurities, and infuses the skin with nourishing serums. It provides instant hydration and rejuvenation, leaving the skin refreshed, radiant, and healthy. Suitable for almost all skin types, this treatment helps maintain long-term skin health.

- Deep pore cleansing and exfoliation
- Intense hydration and nourishment
- Instant glow and skin freshness
- Removes blackheads and whiteheads
- Improves skin texture and smoothness
- Suitable for sensitive and acne-prone skin

## Korean Facial

Inspired by Korean skincare techniques, the Korean Facial focuses on deep hydration, nourishment, and achieving the much-desired glass-skin glow. It helps improve skin elasticity, brighten dull skin, and restore natural radiance while leaving the skin soft, supple, and refreshed.

- Deep moisturization and nourishment
- Brightens dull and tired-looking skin
- Improves skin elasticity and firmness
- Gives a natural glass-skin glow
- Leaves skin soft, smooth, and radiant
- Enhances overall skin health and hydration

# Hollywood Facial (Carbon Laser Facial)

Hollywood Facial, also known as Carbon Laser Facial, is a modern laser treatment that uses a special carbon lotion and laser technology to exfoliate dead skin cells and improve skin texture. It helps reduce excess oil production, refine pores, and provide instant brightness, making it a popular choice before special occasions.

- Reduces Tanning & Pigmentation
- Fades Acne Marks & Blemishes
- Smoothens Rough Texture
- Improves Uneven Skin Tone
- Enhances Radiance & Glow
- Promotes Younger-Looking Skin

# Laser Hair Reduction (LHR)

Laser Hair Reduction is a safe and effective procedure that targets hair follicles with laser energy to significantly reduce unwanted hair growth. With multiple sessions, it provides long-lasting results and helps achieve smoother, softer, and hair-free skin.

- Long-lasting hair reduction
- Smooth and silky skin
- Reduces ingrown hairs
- Less irritation compared to waxing and shaving
- Suitable for various body areas
- Saves time spent on frequent hair removal methods

# Skin PRP (Platelet-Rich Plasma)

Skin PRP is a regenerative treatment that uses growth factors derived from your own blood to stimulate collagen production and improve skin quality. It helps restore natural radiance and rejuvenate aging or damaged skin for a healthier appearance.

- Improves overall skin quality
- Reduces fine lines and wrinkles
- Enhances natural glow and radiance
- Improves skin firmness and elasticity
- Supports collagen production and rejuvenation
- Promotes healthy and youthful-looking skin

## Hair PRP

Hair PRP treatment delivers concentrated growth factors into the scalp to nourish hair follicles and stimulate healthier hair growth. It is widely used to reduce hair fall and improve hair density naturally.

- Reduces hair fall and thinning
- Strengthens weak hair roots
- Encourages new hair growth
- Improves hair density and volume
- Enhances overall scalp health
- Supports stronger and healthier hair

## Hair GFC

Hair GFC is a next-generation hair restoration therapy that delivers concentrated growth factors to the scalp. It helps strengthen hair follicles, control excessive hair fall, and improve hair thickness naturally.

- Controls excessive hair fall
- Stimulates healthy hair growth
- Strengthens hair follicles
- Improves hair thickness and density
- Supports healthier scalp function
- Promotes stronger and fuller hair

## E-Medifacial

E-Medifacial is a technology-based facial treatment that combines cleansing, exfoliation, hydration, and nourishment to improve overall skin health. It provides instant freshness and leaves the skin feeling revitalized and rejuvenated.

- Deep cleansing and exfoliation
- Intense hydration and nourishment
- Instant freshness and glow
- Improves overall skin health
- Leaves skin soft and rejuvenated
- Restores natural radiance

# Vampire Facial

Vampire Facial combines microneedling with PRP therapy to stimulate collagen production and enhance skin regeneration. It is highly effective for improving acne scars, fine lines, and overall skin texture.

- Promotes skin rejuvenation
- Reduces acne scars and blemishes
- Improves skin texture and tone
- Boosts collagen production
- Enhances skin firmness and glow
- Provides healthier and younger-looking skin

## Q-Switch Laser

Q-Switch Laser is a highly effective treatment used for pigmentation, tanning, and uneven skin tone. It helps brighten the complexion and achieve clearer, healthier skin with minimal downtime.

- Reduces pigmentation and dark spots
- Removes tanning and sun damage
- Evens out skin tone
- Brightens the complexion
- Helps achieve clearer skin
- Improves overall skin appearance

## CO<sub>2</sub> Fractional Laser

CO<sub>2</sub> Fractional Laser is an advanced skin resurfacing treatment that stimulates collagen production and promotes skin renewal. It is widely used for acne scars, enlarged pores, wrinkles, and skin tightening.

- Reduces acne scars and blemishes
- Improves skin texture and smoothness
- Minimizes enlarged pores
- Tightens and firms the skin
- Helps reduce fine lines and wrinkles
- Promotes overall skin rejuvenation and collagen formation

Just tried the Advanced with my mom and my skin feels amazing! ✨ It deeply cleansed my pores, removed tan and dullness, and gave my skin instant hydration. My face looks much brighter, smoother, and fresh right after the session. The whole process was very relaxing and completely painless. We both absolutely loved it

If your skin feels tired, dehydrated, or dull, this treatment is definitely worth trying for that instant healthy glow!

Zoori is the best clinic for skin treatments! The clinic maintains excellent hygiene and provides personalized guidance based on individual skin conditions. The doctors are highly experienced and offer the right solutions with genuine expertise. I underwent a microneedling session and have seen a significant improvement in my skin. I'm extremely happy with Zoori's services and highly recommend it to anyone looking for effective skin care solutions.
